LOCALS MAKE COSTLY ERRORS

Lakoff Retires From Box After First Inning—Game Exciting One.

A man who fires nights at one of the local factories had his slumber interrupted yesterday afternoon by a bad dream at his home on Fifteenth street and Tenth avenue, imagining that the battle of Santiago, in which he served, was being reenacted. He was just aiming to pepper a Spaniard when his wife told him that it was nothing more serious than a ball game at the park on Twelfth street.

It was a continuous performance of binging, hanging and bungling. It was anything but a brilliant game, yet there was excitement throughout of an intensity that held the several hundred fans glued to their seats until the last man had gone out in the ninth. It was a conglomeration of a batting see, interspersed with plays that were peculiar, plays that were dumb and plays that were bordering on the sensational.

Both Teams Kap Ball Hard.

Both the teams hit the ball hard and he honors with the stick were about even, but fortune smiled more generously on Hunkey Hines' boys from Dubuque, who tallied a run for every connection, and there were an even dozen of them. Rock Island fell just one short of the dozen in the matter of hits, but managed to send only four men safely across the home rubber. It was Lakoff's turn to deliver for the locals, but he retired after the first inning, when three hits and two passes totted the visitors three runs, in favor of Hagerman, who was effective out side of the seventh and ninth innings, when five hits were bunched on him, when five hits were bunched on him. Jones, the highstepping snail who layed an engagement as a member of the Davenport club last season, furnished the pill-like packages from the low line. He was pounded, but saved himself through cool-headedness in tight places, and he found himself in several of these during the game. Rock Island could not hit him when hits would produce runs, heart-breaking instances of which was afforded in the sixth inning, when Robertson was fanned with the bases full.

Hit and Run Game All the Way.

It was a hit and run game all the way. Five runs were gathered in the morning inning. Fleming went to bat first. Fleming led off by pulling Lally for a free pass. Johnny Thiery missed three. Wolf, the Minneapolis catcher that has just been taken on by Hines, and yesterday played in right field, hit for a base and scored. Fleming, Buelow planted in right for two sacks and pushed Wolf across the plate. Reagan worked his face for a look in at first and Hughes singled, springing in Buelow. Pattison fanned and Hedley, the little fellow that was borrowed for a week by Rock Island last month, expired on a grounder to Miller. Rock Island got busy with the bat after two men had gone out. Thornton on a liner to second and Robertson via the fan route. Lally and Lister each hit for a base and the former was driven in by a two-bagger by Vandine in left. Miller hit to third and was safe on Pattison's fumble. Blakey was retired on a grounder to short.

The Score Until Seventh.

Neither team tallied in the second, out in the third Rock Island tied on a triple by Lally and a single by Lister. Rock Island filled the bases in the fifth and sixth, but was not able to score. It settled down to what had the appearance of promising a pretty and close exhibition for the last three innings, but these hopes were sent glimmering in the seventh, when Hines fellows secured four runs on two hits. Here is how it happened: Fleming defaulted again, but was tagged by Robertson when Thiery grounded to the shortstop. Robertson had a beautiful opportunity for a double play, and could have gotten away with it had he tossed the ball to Miller instead of aking the put-out at second unassisted. Thiery, who should have been the batted. Buelow hit, scoring Thiery. Buelow and Wolf here executed a pretty double steal. Wolf making home and Buelow second. Reagan drove a tall one to left, but it went through Blakely's hands and the runner reached third. Buelow sauntering home. Hughes hit for two bases and scored Reagan. Pattison and Hedley ended the agony with outs.

Wolf Puts Ball Out of Lot

The locals barged two more in the eighth on Robertson's fumble of Jones' grounder and Wolf's home run over the south fence. Hines still was not satisfied, and in the ninth three were added on hits by Thiery, Hughes and Jones, sandwiched with errors by Robertson and Lally. Rock Island rallied in its last half of the ninth. Vandine connecting for three bases and

not falling far short of duplicating the home run hit by Wolf, and scoring Lally, who had singled. Robertson, who had preceded Lally with a base hit, got twisted in his signals and was caught off watch at second in a throw in from left after Fleming had eaten up Lister's fly. Here is the score:

DIAMOND DUST

Rockford comes tomorrow. Blakey made a brilliant running catch of Buelow's fly in the third, coming nearly to third base for it from deep center.

Hines has a prize in Wolf. He got three hits and made two sensational running catches in right field. In the seventh he brought one from Vandine's bat that looked good for at least three times. Wolf is signed for a catcher.

Vandine was blinded by the sun in his pursuit of Hughes' hit in the seventh. Van ran around a ring until it seemed he was growing dizzy trying to locate the ball, which had been knocked high in the air, but he missed it fully ten feet. Hughes stretching it into a double and scoring two runs.

Waterloo, of the Iowa league, has filed a claim with the national board of arbitration for Pattison, the Dubuque third baseman. It is claimed Pattison disregarded a contract with the town in the smaller league when he went to Dubuque. Papers in the latter city say Hines has been instructed not to play Pattison till the matter is settled. Nevertheless, "Pat" is playing here.

Red Donahue, change fielder and catcher, recently released by Rock Island, left yesterday for Oskaloosa, Iowa, where he is to take the management of the team of that city in the Iowa league. Donahue is an old head at the national game and should make an excellent manager. He has many admirers here who will wish all kinds of success in his new position. He said he intended returning to Rock Island at the close of the baseball season.

Bloomington Panograph: The management has sent a telegram to Mike Birmingham to report and play first base on the Bloomington team. Birmingham is the man who was here two years ago and it is thought he can fill the position successfully. In case he comes here Dick Smith will be used as a pitcher and it is probable one of the other pitchers will be dropped. Herbert will permanently play second base and with Kruger on third the infield will be in fine shape. It has been suggested that Manager Connors play first base, for then he would be close to the players to coach his team.

CLOVER ALL KILLED OUT.

NONE TO FEED THIS WINTER

Those who keep cows in the city will be compelled to content themselves with feeding something besides clover hay this winter, unless this particular forage is shipped in from other sections of the country.

Farmers state that the clover was almost entirely killed out last winter by the severe weather and consequently there will be but little of this kind of hay for this winter's supply of rough feed. This is the first time for a number of years that the clover has been killed by the winter weather and those who depend strictly on clover for their rough feed will be compelled to resort to corn fodder.

Had there been a few inches of snow on the ground during the winter the clover would not have been killed, but with no protection whatever from the cold the result is as expected by the observant farmers.
